Press Release SG/SM/236
22 December 1973

Statement by the Secretary-General of the United Nations summing up
the conclusions of the Peace Conference on the Middle East
about the future work of the Conference

After both formal and informal deliberations, the Conference reached a consensus to continue its work through the setting up of a military working group, as well as other working groups which the Conference may wish to establish at some future date. The military working group will start discussing forthwith the question of disengagement of forces. The working groups will report their findings and recommendations to the Conference, which is continuing on at least the ambassadorial level. The Conference at the Foreign Ministers level will reconvene in Geneva as needed in the light of developments.
